Renewed Drive For Water Set At Menlo Park

454-242 Defeat Fails To Daunt Supporters Of Public Move

Undaunted by a crushing defeat at the polls, the Menlo Park Water Committee through its chairman, J. H. Sullivan, said Wednesday that the drive to obtain a publicly-owned water service in Menlo Park had already been renewed on an expanded front.

The water committee's proposal to organize a water district in the city was voted down Tuesday 454 against to 242 in favor. More than half the 1333 registered voters cast ballots.

Organization of the entire southern end of San Mateo County between Redwood City and Palo Alto is now contemplated by the supporters of public ownership, who pointed out that if the residents of the Veterans' Administration Facility had been permitted a voice in yesterday's election, the proposal might have carried.

OTHERS TO BE INVITED

Atherton, Woodside, Menlo Oaks, the Veterans' Hospital and all intervening unincorporated areas will be included in the new proposed district, Sullivan said.

He explained that the larger number of prospective customers would be able to take advantage of rates approaching the 6 cents per 1000 gallons price asked by San Jose, which contemplates purchase of Hetch Hetchy water from San Francisco if such a price is finally set.

Only $35 was expended in behalf of the water district in the election, Sullivan said. Fears among the voters that high taxes would be imposed on them through the creation of the water district was the reason for its defeat, he averred.

'CLEAN' CAMPAIGN

Data already collected by his committee will be turned over to the new group, the organization of which has already begun and is expected to be completed within a few weeks, Sullivan said.

Commenting on "the clean and orderly fashion" in which the last stages of the campaign were conducted on both sides, the Menlo Park Taxpayers League which had opposed the formation of the district, today extended "its sincere thanks to the voters for their loyal support." The league "is naturally gratified at the results of the election," E. M. Rankin, publicity director, announced.

Outfielder Kenny Miller and Shortstop Frank Mabrey of the Springfield Western Association team, St. Louis Cardinals' farm, have stolen 57 and 36 bases, respectively, this season.

Progress Brings Changes in Police And Traffic Setup

Progress brought two changes to Redwood City this week, one of them in the police department, the other in the control of traffic at El Camino Real and Broadway.

Henceforth, the police station on Jefferson avenue near Broadway will close its doors and be moved to the radio room in the central firehouse at 10 p.m., instead of 6 p.m.

The change was effected Monday night, made possible by recent addition of two men to the police force. Officer E. G. Fogarty will be on desk duty nightly between 6 and 10 p.m., the office being manned from 8 a.m. until that time by Sergeant of Police Stanley Wood.

But even with the 10 p.m. closing, the police department, instead of being moved farther away from Redwood City citizens, is moved closer—to any telephone, in fact, Police Chief C. L. Collins pointed out.

"Whenever a policeman is wanted, it is only necessary to get to a telephone and call Redwood 800. An officer will be dispatched anywhere immediately by radio."

This can be done either day or night, Collins explained.

The other change was forced by the widening of El Camino Real to Broadway. It was necessitated because it now takes pedestrians longer to cross the busy thoroughfare.

Instead of showing green only 16 seconds, the automatic signal lights have the "Go" signal on for Broadway traffic for 25 seconds now. Then there are 5 seconds of amber warning light before the El Camino Real traffic is opened for 35 seconds, as compared with 25 before. The total cycle thus takes 70 seconds, whereas it took but 60 before the change.

Negotiations Still Underway at Plant

Negotiations were reported still underway today between Plant Rubber Company officials and their employes, who went on a two and a half-day strike a week ago, over differences which caused the walkout by the CIO-affiliated union at the bayshore plant.

Plant Manager S. A. Abrahams said that a few "minor snags" are holding up signing of a final agreement to be completed within a few days.

The men had demanded that seniority rights be observed in dismissals, and that they be given pay increases and improved working conditions.

R. C. WOMAN'S AUNT DIES

Death of Mrs. Aloisia Edlinger, 80, aunt of Mrs. Louise Meinert of Redwood City, was reported Tuesday in San Francisco. She was the wife of Ignaz Edlinger.

Band Rehearsal Called Friday; Players Needed

First rehearsal of a proposed Redwood City Municipal Band being formed by R. Lee Otis, local optometrist was called for 7:45 o'clock tonight in the firehouse auditorium on Middlefield road.

Although some 45 names of prospective members already have been submitted, Otis declared that many would not be able to qualify and that instruments still badly needed were saxophones of all keys, trombones, basses and E Flat alto horns.

Otis expressed confidence the band would be ready for its first appearance during the Harbor Opening Festival September 10-12. He plans to have it serenade the city Saturday night, September 11, and march in the parade the following afternoon.

SUCCUMBS AT LA HONDA

Funeral services were held Saturday in San Francisco for Mrs. Joseph Quadt, 59, wife of a San Francisco painting contractor who is the first cousin of Carl Muller of Redwood City. Mrs. Quadt died of a heart attack at her summer home at La Honda. Interment took place in Cypress Lawn Cemetery.

UNSIGHTLY BUILDING DOOMED

Council Demands Dilapidated Barn Razing In Cleanup Campaign

Goaded into action by the Italian-American Progressive Club, which sent a letter signed by Secretary C. S. Grandi asking that one unsightly structure in particular be razed in connection with the city's beautification program, the city council Monday night decided to "crack down" on owners of eyesores and force removals or improvements of the structures.

First object of the council's attack will be an old barn on Cedar street near Stambaugh, owned by Louis A. Behrens, according to records of Building Inspector Drathman's office.

Drathman was authorized by the council to inform the owner he must remove the building within the next fortnight, else proceedings will be taken to have it abated. Councilman Fletcher made the motion for the drastic action. Councilman Hohn seconded it, and it passed unanimously.

Councilmen, led by Fletcher, discussed the problem briefly, and made it clear that this would be only the first of such actions taken to rid the city immediately of unsightly structures before the Harbor Opening Festival September 10-12, unless the shacks are razed or improved in appearance voluntarily by the owners.

Former R. C. Brides Seeking Annulments

Coincidence of the course of the law, two young brides of a few years, both minors when they were married, and both having spent the first part of their married life in Redwood City, petitioned the superior court Wednesday for annulment of their marriages.

Young & Ryan, Oakland attorneys who filed both cases, said that neither of the young brides knew each other but that both had formerly lived here and had brought their cases to them at approximately the same time.

Mildred Alice Nance, 19, now visiting in Oakland, asked annulment of her Oklahoma marriage at the age of 16 to Therman E. Nance of Texas, while Doris A. Hendrix, 17, also of Oakland, seeks annulment of her July 27, 1937, Reno marriage to George Hendrix of San Francisco, from whom she separated three days after the rites.

Air Line Plans Ocean Service Using Steamers

Plane-steamer-plane service from all eastern cities to China via San Francisco and Honolulu was announced this week by S. A. Stimpson, district traffic manager of United Air Lines, in conjunction with Pan American Airways and trans-Pacific steamship companies, which have joined in an all-expense tariff. The new schedules cut travel time from points in the United States to China to less than one-half that required by surface transportation.

Supplementing the all-air service to China, the new schedules call for a flight on United to San Francisco, embarkation point for steamer passengers to Honolulu, where Pan American's Clipper ships are boarded for a flight to Hongkong via Midway, Wake, Guam and Manila.

Trans-Pacific steamship companies interested with United and Pan American in this new joint service are Dollar Lines, Matson Steam Navigation Company and Canadian Pacific.

This new service links up at Hongkong with Imperial Airways, whose routes terminate at Southampton, England.

Rubber yielding plants include trees, vines, shrubs and herbs.

Hostess Aspirant Blanks Available

Application blanks for volunteers for the 15 positions of county floral fiesta hostesses were made available today at the Tribune office at California and Montgomery streets.

The blanks are to be mailed, accompanied by the candidate's photograph, to the fiesta publicity bureau, 116 B street, San Mateo.

The application blanks explain that no prizes, trips or any other offerings are made to candidates for the fiesta hostess posts, other than the honor of representing the peninsula and the candidate's community.

The hostesses will play prominent roles in the fiesta activities and besides will pose for publicity photographs in Spanish costumes to be furnished by Fanchon and Marco.

Blondes, brunettes and red-heads are eligible for the positions.

Oregon farmers made $3,000,000 raising seed crops in 1936.

Belmont Board Terms Expire

BELMONT, Aug. 18—A move to appoint retiring Water Commissioners H. A. Hyne and C. L. Jordan as advisory commissioners—their terms having expired—was postponed by the Belmont County Water District board Monday night until next meeting.

Under a recently enacted law, water districts can have only five commissioners, while the Belmont board has had seven. As a result, Hyne and Jordan, both of whom have served since 1929, would be automatically off the board with the expiration of their terms.

Col. C. N. Kirkbride, attorney for the district, presented an ordinance last night calling for appointment of the pair as a special advisory committee, but other members decided to delay the action until L. A. Elsener, former chairman, could be present to tell of the service the two had given in their eight years on the board.

Station Attendant Suffers Severe Burns

MENLO PARK, Aug. 18.—Jack Farrell, attendant at the Robert Cain service station, College avenue and El Camino Real, was burned severely about the arms in a gasoline explosion and fire at the station late yesterday afternoon.

Quick work by Farrell with a hand extinguisher kept the blaze in control until a Menlo Park Fire District squad arrived. The attendant was burned when he pushed a customer's automobile way from the fire. It wa sbelieved that a spark which may have come from a pump under repair was responsible. Damage was confined to the pump.

Sugar is believed to have been introduced to the Mediterranean countries from Bengal about the fifth century A. D.

Year's Road Expense Of $258,740 Told

Approved by the board of supervisors, a yearly report on expenditure by the county engineering department of gasoline and license tax funds was to be forwarded today by Engineer U. S. Marshall to the state highway department.

Teh report shows the county expended $258,740.69 of a total road fund of $315,597.61. The county now has available for the new fiscal year $58,856, to be used partially for payment by the county of relief bond installments due the state.

The report placed value of the county's road department equipment at $36,431.69.

Seven new birds recently were added to Death Valley's ornithological list which already numbered some 130 species. One is known as the marbled godwit.

Local Men Aid Plan For Moose 'Stampede'

At a special meeting called by the California Moose Association at the Santa Cruz Hotel, plans were laid Monday night for the annual Stampede of the Loyal Order of Moose and the Legion of Moose to be held at the seaside town September 25-26.

Present at the meeting were 26 officers of the Monterey, Salinas, Hollister, San Jose, Redwood City, San Francisco, and Santa Cruz chapters. They were headed by Frank Groce, state treasurer, and R. H. Parker, state publicity agent for the bay region, both of Redwood City.

Notification was received here last night that the Santa Cruz and Salinas chapters will join with the San Jose organization in the parade here during the Harbor Festival, September 10-12. San Francisco has also been invited but notification of its decision has not yet been received.

unday Closing Plan To Be Peninsula-Wide

Redwood City real estate men ll invite realtors and real estate esmen from Palo Alto, San teo and Burlingame to meet th them August 31 in Redwood y to discuss a proposed plan to have peninsula real estate offices close on Sundays.

Brokers and salesmen in the Redwood City district discussed the plan here alst Tuesday at a meeting at Central School, but failed to reach any decision, it was announced by Henry Witte, chairman of the district board.

Transit Shed Takes Form at R. C. Port

Framework for the transit shed at Redwood City's new harbor has now been erected and the structure should be completed within the next month, Port Manager Walter F. Murphy said today.

Ernest Selby Dies In S. M. Hospital

Ernest Selby, 65-year-old laborer and resident of Redwood City for the past quarter century, passed away at 11 a.m. yesterday at Community Hospital in San Matee, where he was taken the day before.

Study Begins On Personnel

County employes today were filling out information blanks supplied them by Harry E. Pierson of the California Taxpayers' Association, who, as part of a general survey of the county government, is gathering personnel data.

He began this phase of his work after having partially completed a survey of the purchasing agent's office, in which he concentrated his study on means of saving the county money through quantity purchases.

According to a letter of introduction given Pierson for the information of county department heads, the purpose of the personel survey, announced several weeks ago, is "simply to classify" all county employes in accordance with their individual duties and responsibilities in the same manner as is now being undertaken by the state personnel board and many of the larger cities."

The results, County Executive Rolison said, will be to standardize the pay structure and give compensation in proportion to service given. The survey is not an economy measure but one of administrative procedure, he said, predicting that in the process of adjustment salary increases in the lower brackets may be anticipated.

"It is hoped that with a saiary structure whereby increased efficiency may be rewarded by increased pay that the net results will be for bot hthe employes' and the county's best interest," Rolison concluded.

MENLO PARK NEWS

Congress is considering appropriating $75,000 for the construction of a new postoffice building for Menlo Park. Where it would be located no one seems to know. Postmaster Morey has no knowledge on the subject. Other towns along the peninsula received similar consideration for appropriations. The lease on the present postoffice has a long time to run.

Barney Guglielmoni, a former Menlo Park resident, but for several years a resident of Nevada, where he was a bank teller in one of the Bank of America branches, has been transferred to San Francisco by the concern. He received banking experience in a Redwood City institution.

Mrs. Lewis B. Fisher, formerly Miss Dorothy Taylor, who with her husband left for Portland some months ago, writes to her school friends that she is about to erect a new home on the Heights. Mrs. Fisher is a graduate of Sequoia high school and her husband is a Stanford man.

Mrs. Winifred E. Maloney, wife of T. P. Maloney, a member of a well-known Menlo Park family, passed away at her home in San Francisco last Friday. Mrs. Maloney was born and raised at Pescadero, but in her youth moved with her family to San Francisco, where she met and married Mr. Maloney, who was then a member of the San Francisco Police Department. Besides her husband Mrs. Maloney is survived by three sons, George E., Raymond P. and John F. Maloney. Two of the sons are prominent attorneys in San Francisco. Mr. Maloney joined the police force in 1899 after returning from the Klondike gold strike. He was one of a large party leaving here for the "diggers" in the far north.

The election of Tuesday for the formation of a municipal water district was an exciting affair. The proponents and those opposed to the proposition brought out an unusual vote. The proposed district included all of the City of Menlo Park. Seven hundred votes were polled. The proposition was defeated by a two to one vote, 454 having voted no and 242 yes. Had the election carried it was proposed to use the Hetch Hetchy water which will be in Menlo Park in a short time. Pipe lines will soon be laid from a point near Atherton to Mayfield.

Mrs. Frank Maloney has leased a store in the Maloney block to open a dress shop in September. Mrs. Maloney has had a wide experience in this line of business and no doubt will be successful.

Mrs. Fannie I. Kurtz, Mrs. J. L. Jacobs, and the latter's daughters have returned to Menlo Park after a two weeks' motor trip that took them as far as Vancouver and Victoria, B. C. They visited Crater Lake and Mount Lassen en route.

Back from Lake Tahoe where they leased a house for a month are Mr. and Mrs. John Brooks Jr. of Atherton.

Menlo Park, Native Daughters of the Golden West No. 211 will give a benefit card party in Central School auditorium September 16 at 8:15 p.m.

Miss Paula Kelly is visiting her relatives, the Reynolds. She will return to her home in Pittsburg next week.

Mr. and Mrs. Martin McCarty are enjoying a motor trip to Southern California over the new San Simeon highway.

Dist. Dept. Grand Pres. Martha Bernasque of Bonita Parlor No. 10, Redwood City, and her staff of officers completed installing the officers of Menlo Parlo Native Daughters of the Golden West No. 211 at the regular meeting of the parlor Tuesday night.

Mr. and Mrs. Lloyd Ryan have returned to their home after spending a two weeks' vacation trip through the northern part of the state.

Paul Walsh visited relatives and friends here recently for the first time in several years. The destroyer he is on was in San Francisco for Harbor Day celebration.

The regular meeting of Menlo Park American Legion Post No. 443 was held in Legion Hall Wednesday night. Reports from the delegates to the department convention held in Stockton were given and plans were discussed for installation of officers.

A guardsman at Windsor, England, was court-martialed for refusing to shave off his mustache when ordered to do so by an officer.

Texas hunters, using 10 greyhounds, killed more than 60 jackrabbits in four hours recently.

John Brown's body is buried on a farm he owned two miles east of Lake Placid, N. Y.

WHY SUFFER? WHEN OTHERS FAIL try our wonderful CHINESE HERBS...

If you have failed to receive relief from others, it is no reason why you should not find relief in our wonderful CHINESE HERBS.

No matter with what you are afflicted, whether it is of Asthma, Anemia, Arthritis, Chronic Cough, Constipation, Diarrhoea, Diabetes, Dizziness, Dysentery, Dropsy, Eczema, Hay Fever, Headache, Heart Trouble, Indigestion, Insomnia, Kidney, Liver, Lungs, Lumbago, Nervousness, Neuralgia, Piles, Pimples, Rheumatism, Stomach, Sinus, Skin Disease, High or Low Blood Pressure, General Run-Down Condition, All Female Complaints, etc.

CLEAN FALSE TEETH NEW EASY WAY
NO Brushing — Recommended By Dentists Approved By Good Housekeeping Bureau
Just drop a little Stera-Kleen powder in a glass of water. Leave your false teeth or bridges in it while you dress or overnight. No need to brush. Simply rinse and your plates are fresh and clean—clean where the brush can't reach.
Stera-Kleen removes blackest stains, tartar, film and tarnish. Ends bad taste and smell. Makes dull teeth look like new—smooth, cool—comfortable. The discovery of Dr. L. W. Sherwin, eminent dentist. Approved by Good Housekeeping. Ask your druggist for Stera-Kleen today. Money back if you are not delighted. © 1936, P. & B. Co.

New La Honda Fire Station Is Opened

A new unit in San Mateo county's forest fire prevention system was in use today.

County Fire Warden Bert Werder opened up the new La Honda ranger station for service, placing Deputy Axel Berg in charge of a crew of five men who will be stationed there.

The new station is located 200 yards from the junction of the Skyline boulevard with the La Honda road.

The station, built some time ago, could not be used until today because of lack of funds in the fire department budget. Equipped with a tank truck and hand equipment, the station crew will be able to reach mountain and coast fires far more rapidly than the five-man crew at the department headquarters on Middlefield road in Redwood City.

New Canopy Sign Identifies Union Oil Service

Over 400 Stations on Pacific Coast Now Feature Orange & Blue Panel Which Depicts Spic-Span 'n Speedy Service

During the past two weeks motorists in Arizona, California, Oregon, Washington and Nevada have watched with interest as beautiful new panel signs have been mounted on canopies of Union Service Stations.

"The striking orange and blue colors of these new signs have not only beautified our stations but more readily identify our locations," said A. C. Stewart, manager of Union Oil Stations on the Coast.

"Now, motorists traveling up and down Pacific Coast can easily identify 'Union Oil Service' and be sure of receiving the same uniform attention to their car needs wherever they see the Orange and Blue Sign."

"We have adopted the phrase 'Spic-Span 'n Speedy' as the best method of describing Union Oil Service", the oil station executive continued.

"Cleanliness and neatness of both personnel and stations goes hand in hand with courteous, alert attention wherever the new sign is displayed."

"Many of our salesmen are college graduates and all have received our special course of training in 'personalized service' before starting in the station."

"We are particularly insistent that each customer of Union Oil Service, receives exactly the kind of attention he desires," Mr. Stewart continued.

"Our salesmen are trained to realize that the busy executive wants 'speedy' service when he is in a hurry and that ladies usually like to have the car completely checked. We see that the motorist who is in a hurry gets out in quick order but the car owner with time to spare will receive every attention to his car, from checking the air pressure of his tires to giving his battery a drink."

Mr. Stewart told how "76" was publicized as the Leader of all gasolines through orange and blue signs up and down the Coast. He emphasized the fact that Triton Oil became a sensation overnight through the same medium augmented by newspaper advertising.

"We hope to acquaint Pacific Coast car owners with our Spic-Span 'n Speedy Service in much the same manner with the Orange and Blue Signs of Union Oil Service and a consistent newspaper campaign", the petroleum head concluded.

Lifetime Peninsula Resident Passes

Following a period of declining health, Philip Fernandez, 71, lifetime resident of San Mateo and Santa Clara counties, passed away Saturday evening.

He was a retired rancher who, until two weeks ago, lived for 12 years at Pescadero. After leaving the coastside he resided at 1432 El Camino Real in Menlo Park. He was a native of San Jose and descendant of the pioneer Berryessa family of Santa Clara, after which the town of Berryessa received its name.

Fernandez was the step-father of Mrs. L. M. Silva and F. A. Juarez, both of Sunnyvale. He was a brother of Mrs. J. O'Neil of Daly City, and Mrs. Teresa Pomber and Joe Fernandez, both of San Jose.

About 30,000,000, out of some 56,000,000 radio receiving sets owned throughout the world, are within the borders of continental United States. Great Britain ranks second with about 10,000,000 radio sets.

Nurse Fight Brings Injury to Woman

Community Hospital lost the services of two nurses—one male and one female, one permanently and one temporarily—as the result of an altercation which took place at the institution over the week-end.

Temporarily away from duty is Miss Ella May Hess, veteran nurse who fell and broke her arm when she was assertedly shoved during an argument with Thomas A. Murphy, graduate male nurse.

Murphy "walked off the job" following the incident, according to Health Director Charles C. Gans. Mrs. Hess is at her home receiving treatment for her injury.

More than 100 species of spiders have been collected by an entomologist in the Great Smoky Mountains national park. Spiders are not classified as insects but belong to the group known as arachnids.

Red Burman, Jack Dempsey's heavyweight, started out as a flyweight and has fought in every division.

There are more than 1000 asteroids, or minor planets, revolving around the sun.

San Carlos Man Aids In Abduction Rescue

SAN CARLOS, Aug. 18. — Don Ross of San Carlos figured in the rescue of a 9-year-old San Francisco child who was kidnaped by a man late Monday from in front of her house and then won her escape through a ruse.

Ross brought the child back to her father, Carl Skinner, after she had flagged him down on the Skyline boulevard.

The girl, Dorothy Skinner, said that the man abducted her while she was selling flowers on Alemany boulevard.

As the man, after making improper advances to her, drove along the Skyline, Dorothy said, "Please can I get out for a minute?"

The ruse worked. The man let her out, and she sprinted down the road as fast as she could. The girl was able to give police a detailed description of her captor.

FACES NEW CHECK CHARGE

Having served 90 days for passing a bad check on a South San Francisco hotel, Manuel Lema, 33, South San Francisco cook, was released from jail Wednesday only to walk into more trouble. He was turned over to deputy sheriffs from the Santa Clara county's office, who said they planned to press two more bad check charges against the cook.
